

Churro Kids for Teachers

A free site of picture encyclopedia pages on dinosaurs, the sea and space, and black-and-white activity sheets to print for home and class.

Free to print and copy

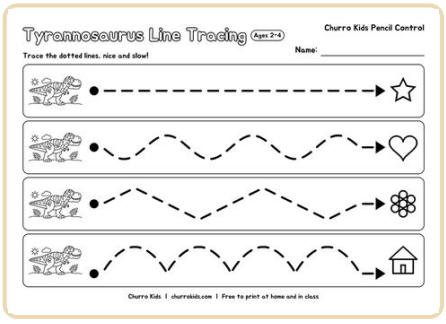

Free to print and photocopy for nursery, preschool, kindergarten, library and after-school classes and non-profit events. Please keep the credit (Churro Kids). Please do not re-upload them, sell them or put them in paid materials.

The pictures are made with the help of AI. If you spot something to fix, please let us know.

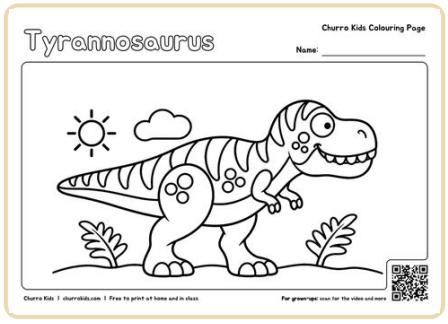

Sheets for five areas of early learning

Physical activity and health	Line tracing · scissor practice · easy and challenge mazes
Communication	Name tracing · animal and dinosaur names to read
Social relationships	Masks, headbands and crowns · Christmas cards · jobs play
Art experience	Colouring · how to draw dinosaurs · stand-up paper figures
Nature exploration	Counting · matching · picture puzzles · encyclopedia pages

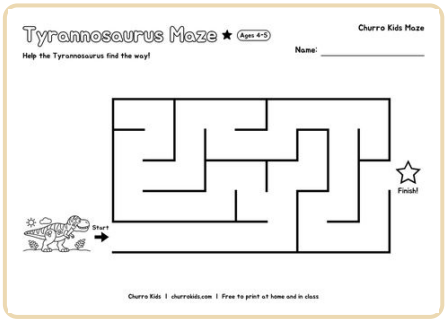

The five areas of Korea's Nuri curriculum. Many sheets fit more than one area.
